AT FIRST, I THOUGHT HE MAY HAVE BEEN YOUR REINCARNATION
LOOK AT THIS KID.

Afterword

Thank you for reading. It's already full of very random things. And I still felt that if there was any space, I'd like to cram a ton more stuff in here. And this is how I was able to come out with this volume. I was really very glad. But I know that I have to dedicate myself more to it. And if we ever meet again somewhere else, I'll be glad for that.

I realized too late that this series was full of my preferences for black, short-haired semes. But I'd like to try breaking into semes of different types.

Thank you to my editor for always guiding me in what to choose for my title!

Thank you to the publishers and designers!

2014.7

I would love to say thank you to all my friends who helped out, but I was probably all alone in this.

I'm so lonely!!

Short and unpopular Sawa gets his first love confession. And it's from a tall and dark CHICKEN!

His name is Ono. He even went so far as to follow Sawa to his workplace and then has the nerve to say `Just forget it".

In any case, he is a timid one.

So what was up with that outrageous confession?!

A moving story about a weakling and his strong-willed senpai.

Also includes stories like, `Love in a One Room Mansion", `Love for the Bullied" and `The Master and the Stray Kitten".

Tomono Kasa's first comic is full of cuteness!
